In addition to seeing your assignment information, you will be able to get directions to the customer by clicking on the map icon.

## Pay History and W2/1099 Retrieval

SelfServe gives you the ability to retrieve a full pay history and pay stubs based on a range of dates that you select. Your W2/1099 copies are available as well.

To view your payroll history, click Pay History from the Dashboard.

Click on the date range to set the period you wish to view. When you click the From and To dates, a calendar will pop up. Select the month and click

on the day you would like to set for your range, and then click Show Range. All of your associated checks will be listed.

| Check #                  | Weekend    | Check Date | Reg Hrs          | OT Hrs      | OT Hrs      | Gross             | Taxes          | Adjustments       | Misc Pay      | Net           |
|--------------------------|------------|------------|------------------|-------------|-------------|-------------------|----------------|-------------------|---------------|---------------|

page 1 of 1

Click on the PDF icon to retrieve your paystub.

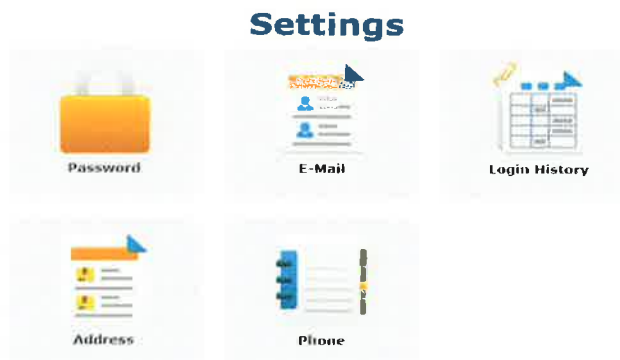

To view each payroll record, double click on the PDF icon. A new window will open with a PDF copy for you to view, save to your desktop or print.

To access your W2/1099 copy, click W-2/1099 on the Dashboard and click on the PDF icon as you would to retrieve your payroll stub.

## Settings

Clicking Settings on the Dashboard will allow you to change your personal information, update contact information, set your email preferences, change your password, and view your login activity.

## Password

To change your password, click the “Password” button on the Settings ribbon at the top of the screen and follow the instructions. The change password wizard will guide you through the process, automatically changing the minus sign to a check when the information entered is correct.

### Password

Please keep in mind the following rules.

1. minimum 8 characters
2. and contain 3 of the following elements: characters, digits or symbols.
3. 'stop' icon will change to a 'check' when minimum requirements are met.
4. special characters such as single quotes, double quotes and semicolons are disallowed

Current Password:

New Password:  

Confirm Password:  

Update

## Email

To change your email address, select the E-Mail button from the Settings ribbon. Similar to the Password function, the E-mail wizard will let you know if the information entered is valid by changing the minus sign to a check. Once the wizard determines that both email fields are valid you will be prompted to enter your current password followed by your new email address.

Make sure the email notification is on to receive email notification when your submitted time has been modified.

### E-Mail

Step 1:  

Confirm E-Mail Address  

e-mail notification  on 

## Address

To update your address, click on the Address button from the Settings ribbon. Please follow the guided step process to update your contact information.

**Please note: Changing contact information will send a request to the agent to update your contact information.**

**Address**

Change requests are not performed immediately.  
The request will be forwarded to your Employment Agent for Review and Processing.

Step 1: Residential Address :  
7580 HWY. 22 E.  
OWENTON  
**LOUISIANA** :  
70359

Step 2: Current Password

Step 3: **Update**

## Phone

To update your phone numbers, click on the Phone button from the Settings ribbon. A dialog will open allowing you to add up to four phone numbers and specify their location.

**Phone**

Step 1: 502-484-0229  
Home :  
Contact 2 :

## Login History

The Login History button in the Settings ribbon provides a detailed look at the login information for your account. This is important if you believe that an unauthorized user is trying to access your account or if you want to check to make sure you know all of the incoming connections to your account. The login attempts that failed will say “failure” in red.
